FROM THE PRESIDENT

Dear Members of the Lynn Teachers Union:

Hello - Welcome to October!

Well at this point you have been working your tails off to educate our students virtually. I am inspired by the incredible effort and dedication you have displayed over the past month.

We are meeting with LPS to discuss the inequities being seen across the district. Some of the issues are regarding scheduling, class size and technology.

As we move forward, I would like to document the issues with technology and Internet connection you experience while working in the buildings. Please report any issues to your building rep.

We will have to negotiate beyond November 20th and we want to have data to back up our proposals for remote teaching if we are still classified as a RED zone for COVID19.

Sincerely,

Sheila O'Neil
